The Code of Student Conduct serves as a guide of acceptable behavior and due process procedures. The administration of American Sentinel College has the authority to modify or change the Code of Student Conduct at any time. Students are responsible for obtaining all published materials and updates from the student website.

Nursing students are expected to function within the framework of the American Nurses Association *Code of Ethics for Nurses*. Students may purchase *the Code of Ethics for Nurses* by contacting the American Nurses Association Publishing Company or may be viewed online at:

The primary concern of the university is its students. American Sentinel College attempts to provide an environment that is conducive to academic endeavor and social and individual growth. Enrollment at American Sentinel College is considered implicit acceptance of the rules, regulations and guidelines governing student behavior. American Sentinel College reaffirms each student's privilege of exercising certain rights, including the right to appropriate due process in any disciplinary matter.

Guidelines

Students at American Sentinel College are expected to exhibit positive academic citizenship and are required to:

- Read and follow all policies, procedures and program information guidelines published in hard copy or available electronically on the University Web site.
- Pursue learning with honesty and integrity.
- Recognize and respect the rights of others.
- Maintain confidentiality with information shared by other students in courses.
- Assume personal responsibility as adults for their behavior without supervision.
- Progress in their programs by meeting course deadlines and following outlined procedures.
- Demonstrate mutual respect when interacting with administration, faculty, staff and other students.
- Meet their financial obligations in a timely manner.

Students who do not practice good academic citizenship may be subject to disciplinary action including suspension, dismissal and/or a hold on academic records. All students are responsible to review the academic code of conduct policy and behave in keeping with the stated principles.

Procedure

One or more of the following misconduct penalties may be imposed by American Sentinel College upon individuals, groups or organizations. Penalties for violation of institutional policies or rules and regulations may be administered regardless of whether the actions of the student are civil or criminal violations. Whenever disciplinary actions lead to the student's leaving the university, grades will be assigned in accordance with college's grade policy and the Academic Calendar.

Admonition: This consists of a verbal or written warning. Verbal admonitions will not become a part of the student's confidential record in the Registrar's Office.

Loss of Privileges or Imposition of Certain Tasks: Under some circumstances of misconduct, the university may deem it appropriate to take away certain privileges. Penalties such as withholding of official transcript or degree; blocking from enrollment for a specified period of time; recommendation of failing, reduction, or changing a grade in a test, course assignment, course or other academic work; suspending library and internet technology may be imposed. The student may also be required to perform certain tasks, such as making restitution, whether monetary or by specific duties; attending counseling sessions; performing additional academic work not required of other students in a specific course; complying with behavioral contract; paying of special fees, fines or service charges.

Probation: Probation is levied for a specified time, the duration of which will be determined by the seriousness of the circumstances of the case. Probation carries with it a warning that any further violation of university regulations may result in more serious consequences, including suspension or expulsion. The two types of probation related to the Student Code of Conduct are:

- **Conduct Probation** - a sanction which will be removed from the student's confidential record at the end of the period of probation.
- **Disciplinary Probation** - a sanction which may or may not remain a permanent part of the student's permanent record.

Suspension: Continued and/or flagrant violations of the probation terms or serious offense cases warranting such action may result in suspension from American Sentinel College for a specified period. The student is blocked from re-enrollment until he/she applies for readmission to the university and is cleared by appropriate officials. Suspension becomes a part of the student's permanent record in the registrar's office.

Withdrawal: Withdrawal is administrative removal of a student from a class or from the university and may be imposed in instances of unmet financial obligations to the College; for reasons of health; or pending the outcome of competent medical evaluation. The withdrawn student may also be barred from re-enrollment until such a time specific conditions have been met.

Expulsion: Expulsion is permanent severance from American Sentinel College.

Revocation of Degrees: The revocation of degrees may occur for discovered misconduct of prior students. Allegations of misconduct which may result in a revocation of a degree will be considered by the appropriate academic process.

If the student believes that this policy was not followed, the student is entitled to prepare an official complaint to the President, per CM2.02: Student Complaints.
